Glorious Toys

For a Smily 😊🤗 Hug

About Us : We have been in this field since 1999, In the Southern region of India we are one of the fastest emerging organizations engaged in manufacturing supplying superior quality of Soft Toys. Known for their mesmerizing designs, these are available in a variety of soft toys, bunny, soft bear, Puppies, Mickey mouse, Monkeys and others with a good color combinations that can impress any onlooker.

These toys are carefully made by our expert professionals, who rich market understanding day by day by doing our hard efforts and learning about how to design and making. That possible solely because of our fully integrated manufacturing set up, latest process techniques, quality conscious approach and team of skilled designers and craftsmen, who have vast experience in this business. To assist these professionals in the related process, we have installed latest machinery to Cutting. Stitching and Filling that are serviced and upgraded periodically. To streamline the entire process, we are backed by a well equipped production unit, which has been running by our experienced personnel.

Our toys have been widely appreciated owing to their safe and non-hazardous nature that is appropriate for the use of children. Moreover, its perfect finish and unique designs make it the most attractive compared to all other in the market.

We Promise that we will keep hardworking for your happiness, joyfulness and success
